

## ANNUAL MEDICAL CHECKUP CAMP OFFSHORE TESTING & INSPECTION SERVICES (I) PVT. LTD.

**A**s per Factory Act every year all the company employee should get medically certified as they are fit for the assigned job.

This welfare activity helps to improve the performance and productivity of the employees.

With the dynamic working conditions it is the pre-requisite requirement to regularly check whether employees are exposed to hazardous work condition and are not adversely affected by the same.

Periodical checkups help employees to manage their health. Sometimes occupational health hazards are also diagnosed and treated through this activity.

Here @ OTIS Laboratory we take care of the wellness of all the employees by carrying out a medical checkup camp every year.

A Medical Camp was organized by OTIS lab in collaboration with Om Gagangiri Hospital on 20th. September 2014 at its Laboratory situated at Pawane , Navi Mumbai .

OTIS Lab employees availed the medical facility with 100 % active participation. The camp was conducted by a team of- 1 Doctors and 7 paramedical staff ,they were assisted by a dedicated team of OTIS Lab employees .

OTIS Lab –Employee Welfare Initiative “To provide a standard and effective medical facility at the door step of the employee”
